

§ 890.1306

under the conditions and for the durations described in subpart K or until the end of the demonstration project, whichever occurs first. The effective date of TCC for eligible beneficiaries or their eligible family members will be the day after other coverage under this subpart ends. Eligible beneficiaries or their eligible family members selecting TCC must enroll in a health plan offered by a carrier participating in the demonstration project. If an eligible beneficiary or eligible family member enrolled in DoD TCC moves from a demonstration project area, coverage ends. DoD TCC enrollees will be responsible for paying the entire DoD premium rate (OPM's approved net-to-carrier DoD rate plus 4 percent for contingency and administration reserves) plus 2 percent of this premium rate for administration of the program. DoD will make arrangements to collect premiums plus the 2 percent administrative charge from eligible beneficiaries and forward them to OPM's Employees Health Benefits Fund. OPM will establish procedures for receiving the 2 percent administrative payment into the Employees Health Benefits Fund and making this amount available to DoD for administration of the program.

(d) Enrolled eligible beneficiaries are not eligible for the temporary extension of coverage and conversion opportunities described in subpart D of this part.

§ 890.1306 Government premium contributions.

The Secretary of Defense is responsible for the government contribution for enrolled eligible beneficiaries and family members. The government contribution toward demonstration project premium rates will be determined in accordance with subpart E of this part.

§ 890.1307 Data collection.

Each carrier will compile, maintain, and when requested by OPM or DoD, report data on its plan's experience necessary to produce reports containing the following information and analysis:

(a) The number of eligible beneficiaries who elect to participate in the demonstration project.

(b) The number of eligible beneficiaries who elected to participate in the demonstration project and did not have Medicare Part B coverage before electing to participate.

(c) The costs of health benefits charges and the costs (direct and indirect) of administering the benefits and services provided to eligible beneficiaries who elect to participate in the demonstration project as compared to similarly situated enrollees in the FEHB Program.

(d) Prescription drug costs for demonstration project beneficiaries.

§ 890.1308 Carrier participation.

(a) All carriers who participate in the FEHB Program and provide benefits to enrollees in the geographic areas selected as demonstration project areas must participate in the demonstration project, except as provided for in paragraphs (b), (c), and (d) of this section.

(b) Carriers who have less than 300 FEHB enrollees may, but are not required to, participate in the demonstration project.

(c) Carriers may, but are not required to, participate in the demonstration project if their service area overlaps a small portion (as determined by OPM) of a demonstration project geographic area.

(d) Carriers offering fee-for-service plans with enrollment limited to specific groups will not participate in the demonstration project.
